STATE OF NEW HAMPSHIRE
Department of Health and Human Services
Electronic Asset Verification System Solution
DHHS – RFP 2016-002

ADDENDUM #5

OFFICIAL RESPONSES TO VENDOR QUESTIONS

No.	Section	Question	Answer
1	Section H-25.3 Page 106	How is this project funded?	Combination of State and Federal Funds (Medicaid).
2	Section 1.4 Page 7	Can you provide a cost range for this system (less than 100K, more than $1M)?	No
3	General	Can you provide the related RFI (#12-DFA-AVS) respondent names?	Information regarding the 2012 RFI respondents is not available; RFP 2016-002 is not directly related to the RFI.
4	General	Would Xerox Government Solutions be the incumbent, since they have just finished the Medicaid Medicare Information Systems Project?	No
5	General	Who is the current vendor?	There is no current vendor; no system has been developed to date.
6	Section 2 Page 9	Do you plan to have any of the vendors do presentations?	To be determined the week of 1/18/16.
7	Section 2 Page 9	When do you plan to award?	The Department is aiming to present a contract package on or about Governor and Council meeting March 2016.
8	General	I am requesting an Excel version of Appendix C-2 Business Requirements.	An Excel version of Appendix C-2 Business Requirements document is available upon request. Email request to the following address: eric.borrin@dhhs.state.nh.gov. Include the RFP name, number and document name: Electronic Asset Verification System, RFP-2016-002, and Excel version of Appendix C-2 Business Requirements.
9	Appendix A Page 30	What is the approximate number of individuals that will be subject to asset verification per month?	Based on November 2015 statistics, there is an average of 3,306 applicants per month that would be subject to asset verification.
